DEDICATED 50

Dear aspirants,

In this present scenario we are bombarded with information and numerous test-series which is causing distress than de-stress our PRELIMS preparation. In order to plug this gap JICE IAS ACADEMY has devised a unique methodology called D-50.

JICE ACADEMY under this initiative selects 50-DEDICATED ASPIRANTS. These 50 aspirants would be trained, mentored, monitored through PRELIMS EXPERTS.

The philosophy adopted by mentors is KISS (Keep It Simple & Small). We reduce the burden of aspirants by following THREE FOLD approach.

Right Areas

- All aspirants read the same sources but some clear and some don't.
- Some always fall short of 0.1 - 5 marks from the cut-off and some clear by huge margin.

- Wonder why? – Its because they read too much and burden themselves leading to annihilation of confidence.

JICE IAS will demolish this by making the aspirants focus on RIGHT areas, through SIGNIFICANT SHEET (As shown below)

SUBJECT	FOCUS AREA	SL.NO	SIGNIFICANT SHEET	SUB-TOPIC	Significance in 25 years	Remarks
			TOPIC			
POLITY	LEGISLATURE	1.	ORGANIZATION OF PARLIAMENT	President Position.	3	These topics have been neglected by UPSC in past 10 years.
				Comparison	2	
		2.	COMPOSITION OF TWO - HOUSES	Rajya Sabha	2	
				Lok Sabha	1	
		3.	SYSTEM OF ELECTION	Reservation & Readjustment	3	HIGH YEILDING AREAS
		4.	PRESIDING OFFICERS	Speaker	5	
				Chairman of Rajya Sabha	2	
		5.	DEVICES OF PARLIAMENT PROCEEDINGS	Motions	4	
		6.	LEGISLATIVE PROCEDURE IN PARLIAMENT	Constitution Bills	4	
				Ordinary Bills	2	
		Money Bills	2			
7.	JOINT SITTING		3			
8.	BUDGET	Charged	1			
9.	POSITION OF RS		7			
10.	PARLIAMENTARY COMMITTEES	Financial	2			

NOTE Almost 2 question per year

MICRO-TEST

- **UPSC-READY not TEST-SERIES READY.**

- **UPSC uses different language for different subjects. One need to understand UPSC language.**
- **This can be plugged by taking micro-test on each topic.**

- **In this initiative all 50 members would be given**
 - **45 Micro test**
 - **10 full length test**

PERSONALIZED MENTORSHIP

- **It is a well-known fact that no-one knows more than 50 questions in UPSC PRELIMS yet some-how some aspirants score huge.**
- **This is not luck but a careful execution of skills.**

- **We call these skills as PRELIMS-SKILLS this would be implanted to DEDICATED-50 by UPSC - PRELIMS EXPERT team headed by SAMPREETH SANTHOSH.**

- **We follow a PHILOSOPHY called “DON'T RECALL, ONLY RECOGNISE ANSWER”**

How does each day look-like for DEDICATED-50 aspirants?

Step 1 - Each day aspirants would be handed out SIGNIFICANT SHEET

Step 2 - Next day Micro-test will be given based on previously assigned topics.

Step 3 - Simple assignments would be given based on the topics.

Step 4 - After completion of assignment one full length test would be given, questions would be analytical and complex.

Step 5 - Mentors would have one to one session with DEDICATED-50 to sort out the prejudices, doubts, fear and give them PRELIMS TRICKS.

Step 6 – Performance review of each student would be done for DEDICATED 50 through systematic graphs and would be given to students.
